

# Truespoke Supreme Wheels

- Supreme Chrome Steel Wheels from Truespoke
- Made in the USA
- Chrome plated steel. Three layer chrome plating: nickel/nickel/chrome.
- 2-piece construction: Steel outer rim and steel center.
- Standard or reverse patterns available.
- Universal lug pattern: 5 on 4.5", 5 on 4.75" and 5 on 5".
- Includes center caps
- Lug nuts and washers are not included.  
These wheels require mag- style lug nut with a .750" shank length. Available at extra cost.
- Center bore: 3.30".
- Will not fit applications with 14mm studs.
- These are not hub-centric and are best balanced from the lugs or lug-centric.
- One year limited warranty on materials and workmanship.
